

Invitation to the GTE Workshop on Transparency; Brussels, 31 March 2009

Dear Sir / Dear Madam,

It is with pleasure that GTE would like to invite you to the **GTE Transparency Workshop** to be held on **31 March 2009 at Hotel BLOOM! in Brussels, Belgium.**

The Workshop will be **dedicated to the Minimum Transparency Requirements presented jointly at the XV Madrid Forum in November 2008 by EFET, Eurogas, Eurelectric, OGP, GEODE, CEDEC and subsequently supported by IFIEC.**

GTE proposed at the XV Madrid Forum to organize such workshop on the Minimum Transparency Requirements to discuss how TSOs can provide the requested information.

The workshop will be made of 2 sessions, the first one presenting possible ways to implement the Minimum Transparency Requirements list as well as some good practices, and the other session giving room to the relevant stakeholders to express their opinion on the GTE proposals. Participants will have opportunity to ask questions after each presentation and each session will also have time especially dedicated to discussion.

We would be grateful if you could inform us of **your participation** by completing the [registration form](#) **by 24 March.**

On behalf of GTE, I thank you in anticipation and am looking forward to some fruitful and constructive discussion. Please note also that GTE remains at your disposal for any further queries you might have.

Yours sincerely,

Jacques Laurelut
GTE President
